**BA-190 TEAM GRAPHITE**

- Serious school play
- Aluminum head
- Graphite shaft
- Built-in replacement grip
- Lonfibre Plus durable string.
- Pour un niveau scolaire de haut calibre
- Tête en aluminium
- Tige en graphite
- Cordage extra durable Lonfibre Plus
- Recouvrement de poignée de rechange intégré.

**BA-185 COLLEGIATE**

- Exceptional performance and durability.
- Light, strong titanium alloy
- Built-in replacement grip.
- Lonfibre Plus durable string.
- Faite d'un alliage de titane léger et résistant
- Recouvrement de poignée de rechange intégré
- Cordage extra durable Lonfibre Plus

**BA-180 THE BEAST**

- Extremely durable.
- Heavy duty aluminum and steel.
- Built-in replacement grip.
- Lonfibre Plus durable string.
- Faite d'aluminium et d'acier épais et résistants
- Recouvrement de poignée de rechange intégré.
- Cordage extra durable Lonfibre Plus

**BA-150 SCEPTRE**

- Durable high grade aluminum and steel.
- Lonfibre string.
- For high school and college use.
- Aluminium et acier résistants de première qualité
- Cordage Lonfibre
- Pour les écoles secondaires et les collèges.

**BA-130 SQUIRE**

- Designed for primary or junior high schools.
- All steel
- Lonfibre string
- Conçue pour les écoles primaires et le premier cycle du secondaire.
- Tête et tige en acier
- Cordage Lonfibre

**BA-105 STARTER**

- Designed for primary schools.
- Conçue pour les écoles primaires.

## SHADOW TRAINER

With the Shadow Trainer, dramatically improve speed, fitness, reflexes and court movements.  
Améliorer les déplacements, le conditionnement physique, les réflexes et la vitesse.

## QUIVER

- The Quiver puts up to 55 shuttles at the player's fingertips where ever he is on the court.
- Lightweight, effective and affordable.
- Available in 25, 36, and 55.
- Les Quivers SD-55, SD-36 et SD-25 sont des distributeurs de volant portatifs permettant à l'entraîneur ou le joueur d'avoir entre 25 et 55 volants à portée de la main. Léger, efficace et abordable.

## SWEET SPOT TRAINER

Learn to always hit on the sweet spot and force your concentration to a higher level with the new Sweet Spot Trainer (SST).  
Améliorer la concentration et apprendre à toujours frapper sur le sweet spot.

## SD-200 SHUTTLE DISPENSER

- Puts 200 shuttles at the coach's or player's fingertips and has:
- Adjustable height (40-80")
  - Easy rolling movement around the court
  - Compact format for storage and transport
  - Rapid set up and take down
- 200 volants à portée de la main du joueur ou entraîneur
- Hauteur ajustable (40 à 80 po).
  - Déplacement facile sur le court
  - Installation et rangement rapide
  - Format compact pour le rangement et le transport
